# Join a confidential leadership learning circle

**The Taverna Club offers a thinking, networking and coaching space for leaders who have a key role in influencing strategy, shaping the work environment and engaging peers, stakeholders and teams in delivering organisational goals**

Meet 3 times for 2 day workshops with a confidential and supportive group of peer leaders to explore the underlying principles of leadership

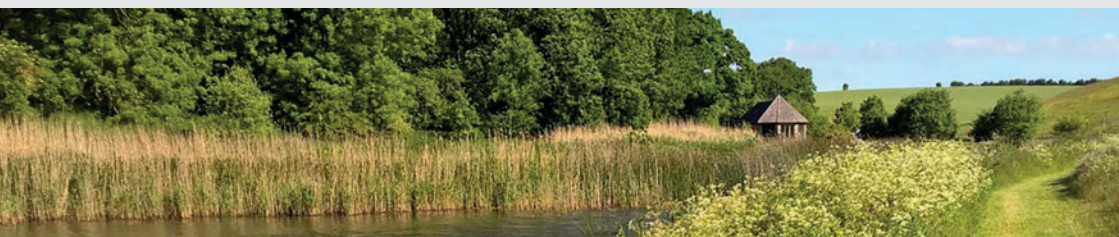

Build your leadership impact through growing energy, influence and courage for yourself and for those you lead

Discover a safe and inspirational space to reflect and share insights on the leader you are being today and the leader you will become

Bring your real experiences and challenges to learn together and to co-create leadership strategies that will make a difference in your world

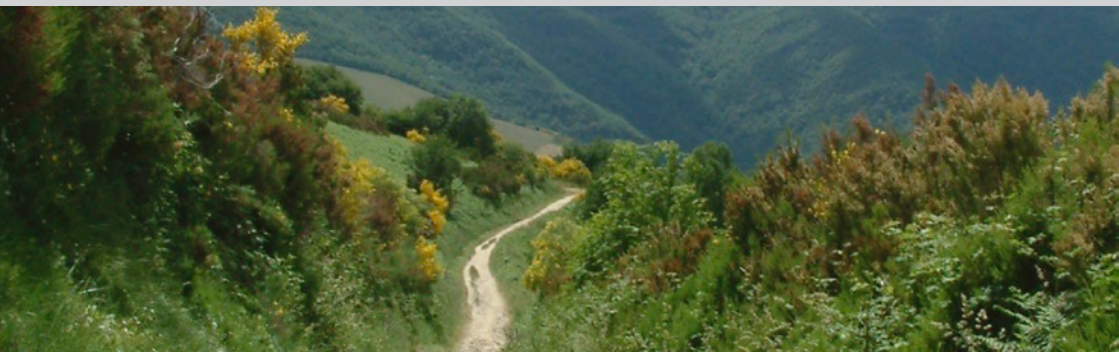

**Grow your leadership impact to make a positive difference in your world**

# Your leadership journey & The Taverna Club™

- Embarking on a **Leadership Journey** requires us to consider, address and balance many varied and complex demands, all the while engaging others to reach a yet-to-be realised vision
- To maximise our leadership impact, we need to step back from the path from time to time; to learn from the past; to anticipate the future; to adapt to change; to develop strategies for the new challenges we face going forward. Meeting and sharing learning with others travelling a similar path can both encourage and enrich us
- Welcome to **The Taverna Club™** – an opportunity to join a select group of fellow travellers in a series of Taverna workshops to invest in your Leadership Impact
- Each **Taverna Club™** will be hosted by **Courage2Lead**, experienced executive coaches with a track record in senior leadership roles and expertise in systemic principles, who will bring innovative coaching techniques to support **The Taverna Club™** community

# Practical information

## WHEN

The **Taverna Club™** programme typically runs over six months, consisting of 3 workshops of 2 days each. Places are limited and we manage a waitlist for those interested. We arrange new programmes and locations as and when we have a relevant group of peer leaders.

From time to time we also run single day workshops for leaders to experience exploring leadership challenges through a systemic lens via business constellations. This introduces the approach that will be used in greater depth during The Taverna Club programme.

Please contact us if you are interested in either the one day workshop or the full **Taverna Club™** programme.

## HOW MUCH

- £5000 per person per programme (excluding VAT and accommodation)
- A discounted fee of £4000 is available for those working in the public sector, charitable organisations or funded privately
- Fee includes 3 Taverna workshos (6 days in total) and Alumni membership

## HOW TO APPLY

Please contact [thetavernaclub@courage2lead.com](mailto:thetavernaclub@courage2lead.com)

### In House **Taverna Club™**

Please contact us if you would like to explore offering programmes cross-functionally in-house.
